

A walk on the wild side

Nature Day at home

ages
1-5

Nature Tuff Tray

Let your little one explore the magic of nature through small world play.

You will need:

- Soil
- pine cones/ sticks/ bark
- peg doll fairies
- Flowers and leaves
- Magnifying glasses
- rain maker
- Bird whistles

Why not make your own pegdoll fairies to play with?

Sticks, stones, bark, flowers and leaves and soil can be made into tiny homes and gardens for fairies

Magnifying glasses will help to look closely at small flowers, leaves and bugs

Rainmakers and bird whistles to hear the sounds of nature

* Always supervise your child during sensory and small world play as small items can pose a choking hazard.
