### Make a Pop Up Gallery Hanging Gallery

Why not invite your family or your bubble to come and see an exhibition of your artwork?

Here are two really simple ideas to make a pop up gallery at home

- You will need:
- Card board boxes
  - Double sided or masking tape
  - Blutack
  - Coloured card
  - Your artwork
  - Paint/ Brown paper (optional)

Choose a piece of coloured card that compliments your artwork. It needs to be bigger than your artwork to make a nice frame.

Fold your frame in half

Mark out the top half outline of your artwork and cut out slightly bigger

take your string and lay it vertically down the middle of your frame and artwork. Stick on the back with masking tape.

Turn over and using a glue stick or blutack to cover the back with another artwork and another frame as your artworks will swing around.

Add more artworks to your string and hang up ready for everyone to admire.
