Sunbathing, boats and splashing around in water were key parts of the Elsecar by the Sea experience! Recreate the fun with a water play tuff tray!

Make simple boats with jam jars, playdough and lolly stick

Small world play sand tray and people figures, fabric beach towels and cocktail umbrellas

Make a water slide with a piece of tubing or guttering and a bucket.

* Remember that water can be a hazard and children need to be supervised by an adult at all times during water play
