Bubble art

You will need:

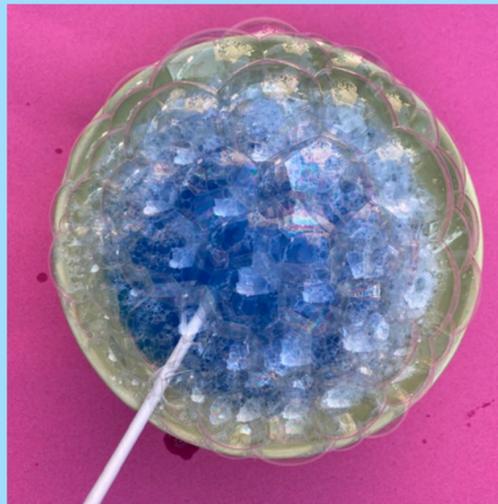

A bowl
Non toxic paint
Fairy liquid
A straw
Paper

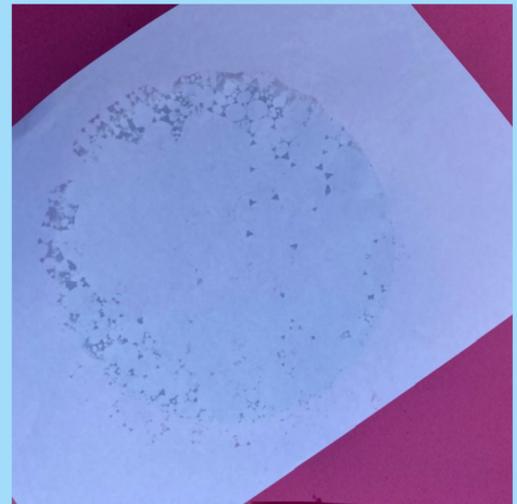

Have some bubbly fun
making your own bubble
art inspired by Elsecar by
the Sea

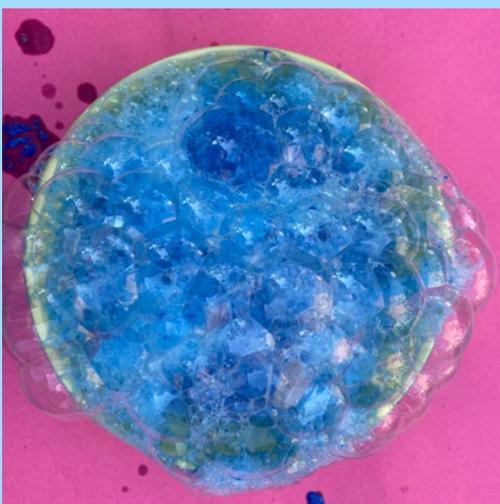

Mix some water, child friendly paint, and a squirt of washing up liquid in a bowl

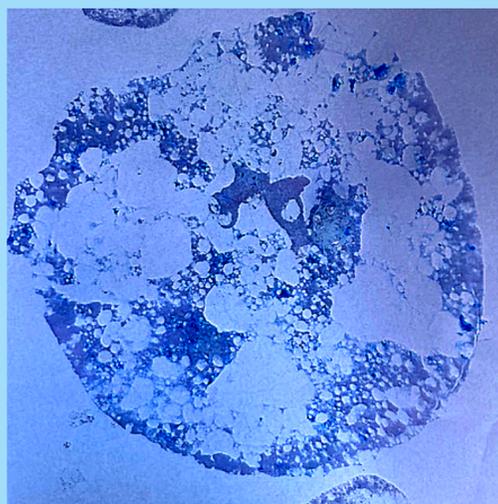

Making sure to blow, not suck, blow into the bowl and make lots of bubbles

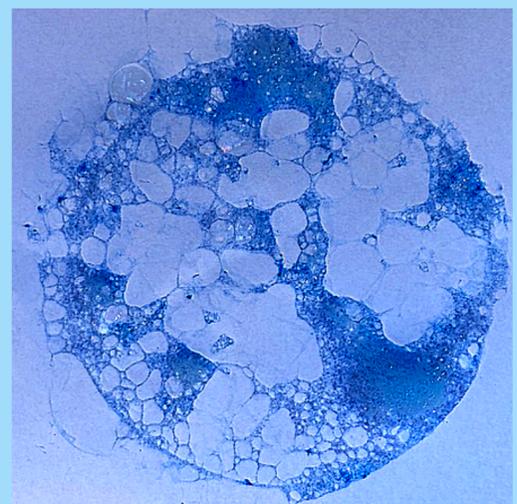

Place a piece of paper on top to make your print. If it comes out very pale just add another squirt or two of paint.

Give it another stir and blow.

Make another print.

What other patterns can you make?
