

ELSECAR
HERITAGE CENTRE

Elsecar Heritage Centre Story

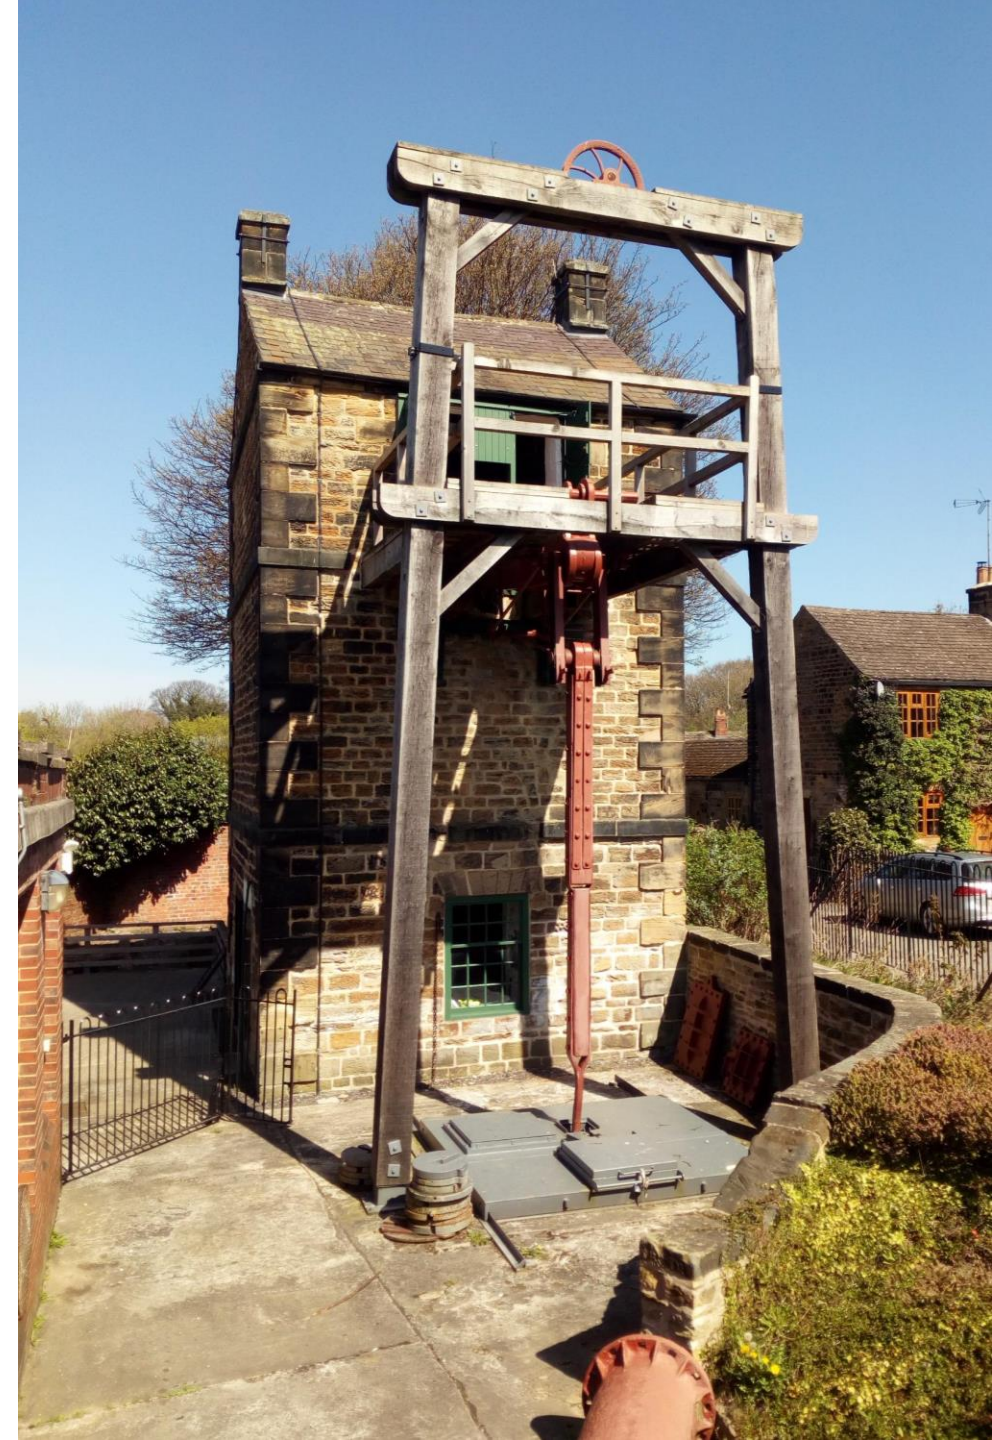

during COVID 19

Elsecar Heritage Centre is a heritage site.

This means it is a place where I can enjoy the atmosphere and learn more about the story of Elsecar's industrial heritage.

I can also visit the cafes and shops, an indoor play area and heritage railway.

At the moment there is something called COVID 19.

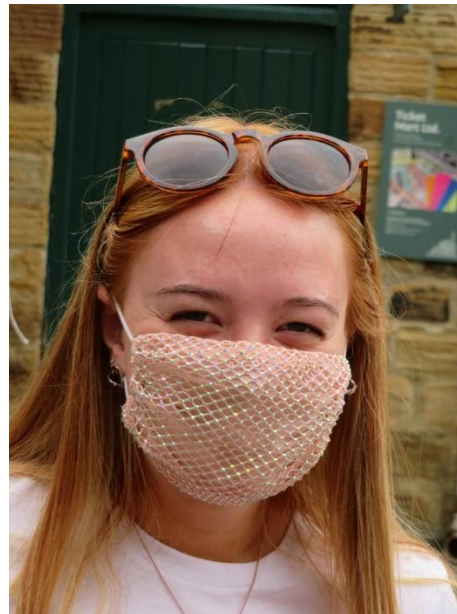

It is sometimes called Coronavirus.

This means it is a germ which can make people ill.

There are things which the people at are doing at **Elsecar Heritage Centre** to help stop people getting the virus.

This means it might look, sound, feel, taste and smell a bit different while the virus is around.

When I visit **Elsecar Heritage Centre**

Outside the Visitor Centre I might see:

Fantastic Heritage Buildings

Newcomen Beam Engine

Craft and Gift Shops

Things in the shop

When I visit **Elsecar Heritage Centre**

At the moment I might also see:

Signs on the walls or the floor showing me which way to go

Barriers to help keep a safe space between people

People wearing masks

'Hand sanitiser' that I can use to help get rid of any germs on my hands

When I visit **Elsecar Heritage Centre**

I might hear:

Visitors

Guided Tours

Works Bell

When I visit **Elsecar Heritage Centre**

At the moment I might also hear:

People asking me to wait before
I go in somewhere, or telling me which
way to go

Their voices might sound different
because they are wearing a mask

When I visit **Elsecar Heritage Centre**

I might touch or feel:

Living History

Iron Work

Buildings

When I visit **Elsecar Heritage Centre**

At the moment I might also touch or feel:

Hand gel that will help to get rid of any germs on my hands

A mask on my face

If I can't wear a mask, whoever is with me will understand and will tell other people if they ask

When I visit **Elsecar Heritage Centre**

at the moment:

there might be some things I cannot do and
some things I cannot touch because of Coronavirus

The friendly staff and the person with me
will help me to understand what these things are

When I visit **Elsecar Heritage Centre**

I might taste:

Items from the cafés

Confectionary

A picnic I might bring with me

When I visit **Elsecar Heritage Centre**

I might smell: 

Plants and flowers

Food

Hand wash

When I visit **Elsecar Heritage Centre**

At the moment I might also smell:

The mask that I might be wearing
over my nose and mouth

My breath inside the mask

Hand gel that I have used to clean my
hands

Most of all **Elsecar Heritage Centre** is a place where I can learn about Barnsley's Coal Mining heritage and enjoy a great day out with all the family!

COVID19 will be gone one day and then **Elsecar Heritage Centre** will look, feel, sound, taste and smell more like it did before.
