

# Winterval: French Hens

On the third day of Christmas my true love gave to me,  
Three french hens...

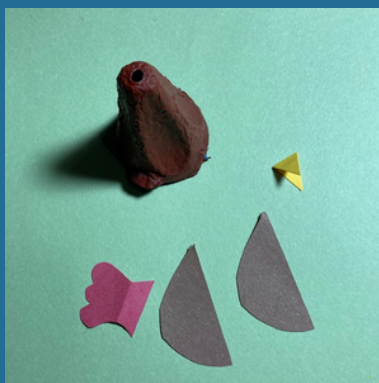

Have you seen the 12 days of Christmas trail on our  
Cannon Hall Facebook page? There are lots of activities  
and recipes to do celebrating Christmas past  
Why not making some funky french hens?

You will need:

Egg carton  
Paint  
Yellow, red and brown paper  
Paintbrush  
Felt pen  
Glue stick  
Scissors

Cut out a triangle from an egg carton. (Ask an adult to help) and paint brown.

Cut out 2 wings, a beak and comb (the red bit) out of coloured paper.

Stick them on with a glue stick.

Your hen should look something like this.

Draw on some eyes with your felt tip.

Why not make some funky friends for your French hen.
