

PENNY'S SCULPTURE QUEST

Hi, I'm Penny, the Peregrine Falcon.

You may have seen me soaring in the sky above the Town Hall and Barnsley Civic as I hunt for tasty pigeons for my lunch!

I bet you don't know that peregrine falcons love art. I like to use my keen eyesight to spot the amazing sculptures around the town centre.

Can you find which are my favourite sculptures using the close-up images on the map? When you have found them all, pop to either The Cooper Gallery or the Glass Works to collect your sticker!
