

THE IMAGINARIUM

ADVENTURES IN STORYLAND
I SPY AN ADVENTURE
BINOCULARS

You will need:

- 2x cardboard tubes
- A piece of aluminium foil (approx. 16cm x 30cm)
- A4 sheet of thin black card or paper
- A piece of string or yarn (approx. 75cm long)
- Sticky tape

Fold and cut your piece of aluminium foil in half. Ask a grown up to help.

Wrap one of your pieces of foil, around a cardboard tube. You can use sticky tape to secure it if you wish.

Push the foil carefully into the ends of your tube at both ends. Repeat steps 2 & 3 on your 2nd cardboard tube.

Use a bit of sticky tape to secure your two tubes together. Next, cut a piece of black card approx. 6cm x 27cm and wrap around both of your tubes and stick in place.

To create a neck-strap, make one small hole in the bottom of each tube. Thread some string or yarn through and knot.

You can personalise your binoculars with stickers or cut out shapes of coloured paper and stick on. Take your binoculars outside and see what you can spot!

*** ADULT SUPERVISION WHEN NECK STRAP IS IN USE***
