

Barnsley Museums Festival: Pear Hedgehog

Be inspired by the wonderful wildlife at Worsbrough Mill and make this delicious hedgehog snack.

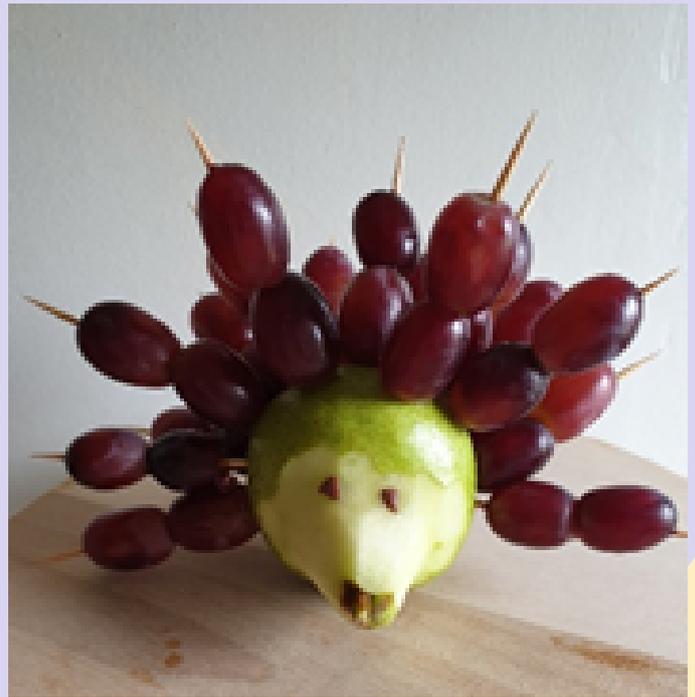

You will need:

1 Pear
25-50 Cocktail Sticks (depending on size)
Small chocolate drops for eyes
Grapes any colour
Peeler

Lay the pear down horizontally and use the peeler to shave some of the pear skin from the small end of the pear

Add the grapes onto cocktail sticks and push into the pear. Work your way around the pear. Adding the cocktail sticks into the fruit. Stop the pear rolling around by adding an extra cocktail stick at the lower back.

Trim the hedgehogs nose of the stalk if it is long.

Add the eyes.
