

Artist	Jasper Latham
Item	Thomas Wentworth and wife
Year	1675
Location	Silkstone All Saints Church
	The Bretton Chapel houses the remarkable monument in memory of Sir Thomas Wentworth of Bretton Hall, and his wife, Grace.

Artist	Joseph Bower
Item	Queen Anne's Obelisk
Year	1734
Location	Wentworth Castle Estate
	This is a large, inscribed obelisk on a pedestal surrounded by a circle of 14 small octagonal "pegs". Officially dedicated by Thomas, 1st Earl of Strafford to his late patron, Queen Anne, its main purpose was to publicly list the posts he had held under the pre-Hanoverian regime.

Artist	Joseph Bower
Item	Obelisk to Lady Mary Wortley Montagu AKA Sun Monument
Location	Wentworth Castle Gardens
	Obelisk with a pyramidal cap on a plinth thought to have been copied from an ancient original in Rome. Erected in 1746, but likely to have been earlier; perhaps in 1734. At some point in the time of the 2nd Earl of Strafford, William Wentworth, it was rededicated to Lady Mary Wortley Montagu. Wentworth, at some point, met and presumably admired Montagu.
Artist	Joseph Bower

Item	Duke of Argyll's Monument
Year	1742-1744
Location	Wentworth Castle Estate
	A fluted Corinthian stone column surrounded by 12 stone bollards linked by chains, topped by a statue of a woman in flowing robes variously described as Fame, Victory and Minerva. Originally carved for William Wentworth, as an 'eyecatcher' column in 1742, it was dedicated by William in 1744 to the memory of his father-in-law John Campbell, 2nd Duke of Argyll.

Artist	Michael Rysbrack
Item	Thomas, 1st Earl of Strafford
Year	1742
Location	Wentworth Castle Estate
	The Earl is shown dressed as a Roman general, a recognition of his military career. It was commissioned by Thomas Wentworth's son, William, in accordance with his father's will and originally stood in the centre of Stainborough Castle. The statue is thought to have been protected by a canopy, but this may have been removed in 1764.

Item	Birdwell Obelisk
Year	1775
Location	Birdwell
	The Obelisk was constructed in 1775 for the Second Earl of Stafford, possibly the last major structure added to the estate in his life. It marks a three miles distance away from Wentworth Castle and was originally intended to mark the start of the approach to the house along a formal avenue at Rockley.

Artists	Jeremy Appleby & Tony Slater
Item	Huskar Pit Memorial

Year	1838
Location	Silkstone Common
	The memorial commemorates the 150th anniversary of the disaster of 26 children drowning in the Huskar Pit on Wednesday 4 July 1838.

Artist	Samuel Swift
Item	Hebe
Year	1865
Location	Cawthorne Victoria Jubilee Museum
	Here is a carved life-sized statue of Hebe, the cupbearer of the gods from Greek mythology. Hebe originally stood in the hall of Lion House. It now decorates the entrance to the Victoria Jubilee Museum in the village of Cawthorne.

Artist	Baron Marochetti
Item	Joseph Locke
Year	1866
Location	Locke Park, Kingstone
	Here is a statue of Joseph Locke that was erected in 1866 by Baron Marochetti. A replica of this statue was erected in October 1950 in Barentin, Normandy, France by local people to commemorate Joseph Locke who built a 27-arch viaduct there.

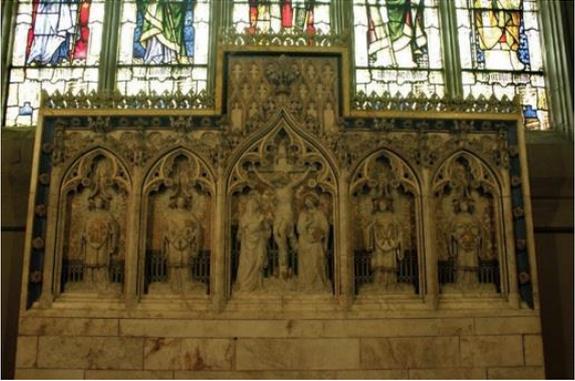

Artist	George Shaw
Item	Fountain Cross

Year	1867
Location	Cawthorne
	Fountain Cross was erected in 1867 by George Shaw for Miss Frances and Miss Maria Stanhope of Cannon Hall.

Artist	Samuel Swift
Item	John Wesley
Year	1870
Location	Cawthorne Methodist Church
	This statue of John Wesley stands on the exterior wall of the Cawthorne Methodist Church. It was unveiled by George Swift on Thursday 6 August 1896.

Artists	Wade & Turner
Item	Various heads of Victorian men & women
Year	1874
Location	Eldon Street, Barnsley Town Centre
	Above the windows of the ground floor are several carved portrait heads of Victorian men and women, including a young Queen Victoria. Also, Henry Richardson, first Mayor of Barnsley, was included on the Eldon Street facade.
Artist	R. Renee Spiers
Item	Phoebe Locke Memorial Tower
Year	1877

Location	Locke Park, Kingstone
	Locke Park was donated to the people of Barnsley in 1862 by Phoebe Locke in memory of her husband, Joseph Locke, the famous railway engineer and MP, who died on Sunday 16 September 1860. The tower was built by Sarah McCreery in memory of her sister, Phoebe Locke, who died on Saturday 15 December 1866. The architect, Renée Spiers, had trained in Paris.

Artist	Samuel Swift
Item	Reredos & St Paulinus
Year	1880
Location	Cawthorne All Saints Church
	Behind the altar, at the east end of All Saints Church in Cawthorne, there is a long-carved set of panels on a supporting wall. In the centre panel, is the figure of the Crucified Christ with Mary and the Apostle John. To each side are two angels in their own niches. The carving of St Paulinus, first archbishop of York, is set in a niche on the outside of the north porch of the church.

Item	Mason Fountain
Year	1888
Location	Barnsley
	The Mason Fountain is a squat obelisk on a pedestal. Surrounding the base of the obelisk is a circular basin. At one side of this is a rectangular horse trough.

Item	Memorial to Yorkshire Miners' Association Officers
Year	1905
Location	Barnsley Town Centre

An architectural memorial, square in cross section. The centre part has four faces flanked by four columns. There are inscriptions in panels set in the two outward facing facades. The whole is topped by an octagonal tapering column with an ornate fleur de lys at its summit.

Item	Oaks Colliery Disaster Memorial
Year	1913
Location	Christ Church, Ardsley
	<p>A monument to those killed in the Oaks Colliery Disaster on 12 December 1866 was erected at Christ Church, Ardsley in Barnsley in 1879. A second monument was erected in 1913, dedicated to Parkin Jeffcock and the volunteer rescuers who were killed.</p>

Artists	Wade & Turner, Antonin Mercié
Item	Oaks Colliery Disaster Rescuers' Memorial
Year	1913
Location	Barnsley
	<p>A stone obelisk, composed of 5 blocks of ashlar sandstone, mounted on a double pedestal whose rear half is slightly wider than at the front. In front of the obelisk, on a small plinth, is a bronze winged female figure in classical garb and wearing a stained bronze breastplate. She carries a wounded man over her right shoulder as she strides forward.</p>

Artist	J. Mitchell Bottomley
Item	Royston War Memorial
Year	1918
Location	Royston

An octagonal plinth, on three steps, from which rises a tall octagonal shaft with a castellated capital; the whole surmounted by a crucifix under an arched roof. The plinth is a complex construction with roofed gables, carved floral scrolls, and faces on the bronze plaques, which lists the names of the fallen are located.

Artists	Messers A, Burslem & Sons Ltd.

Item	Dodworth War Memorial
Year	1923
Location	Dodworth
	The figure of an infantryman, with a rifle held forward, is advancing over rocky ground. This memorial commemorates the First World War (1914-1918) and Second World War (1939-1945).

Artists	Tyas & Guest
Item	Thurnscoe War Memorial

Year	1924
Location	Thurnscoe Park
	Three limestone steps on a concrete base. On these stands is a plinth above which is a sandstone pedestal with a plain square capital. The statue of a soldier advancing across uneven ground and holding a rifle across his chest has been carved from limestone and set on top of the pedestal.

Artists	John Tweed
Item	Barnsley War Memorial
Year	1925
Location	Barnsley Town Centre
	A complex stone cenotaph. The facade facing Church Street has a carved stone wreath above the main inscription. The 2.4 m high bronze statue on top of the cenotaph shows a helmeted infantryman in a greatcoat, his rifle grounded, standing at ease.

Artists	Hill & Swan of Leeds
Item	Head of Charles Harvey & Two Female Figures
Year	1978
Location	Eldon Street, Barnsley Town Centre
	The head appears as a keystone on the arch over the main entrance to the building. This is flanked by two female figures reclining on the upper lip of the arch. The figure on the left holds an artist's palette in her left hand and a fanciful brush in her right.
Artist	Malkin, H
Item	Wharncliffe Woodmoor Mining Memorial

Year	1978
Location	Carlton
