

ELSECAR EASTER EGG-STRAVAGANZA TRAIL

Can you find all the bunnies around the Heritage Centre? When you have found all 8 letters shuffle them around to find a word connected to Spring and collect your sticker from the Visitor Centre.

Why not decorate your rabbit mask like these children did at Hoyland Library in 1984!

1

Decorate your mask. You could use felt tips, crayons, collage or even stick on leaves, cotton wool or feathers.

2

Cut your rabbit mask out carefully. You might need an adult to help you cut out the eyes.

3

To finish make a hole at each side and thread through some elastic.
